

Ocean, Freshwater, and Us giant floor map and augmented reality app

www.oceanweekcan.ca/learning-hub/map

THE MAP

This giant map is made for walking on, and for both indoor and outdoor use. It's huge: the full map is 11m x 8m!

This map is an engagement tool for schools, libraries, museums, and other public spaces to use during the annual Ocean Week Canada celebrations and year-round!

Maps are also being used at major national and international conferences and events throughout the UN Ocean Decade.

THE APP

Through augmented reality, explore the protection of ocean and freshwaters in Canada

Android

SCAN ME

iOS

SCAN ME

Discover protected areas in Canada, place-based videos from Indigenous Guardians and coastal communities, water flow, watersheds, and digital renderings keystone species.

This app was co-developed by the Canadian Ocean Literacy Coalition and Ocean School (an initiative of the National Film Board of Canada and Dalhousie University).

HERE ARE A FEW OF OUR MAP HOSTS

- Biosphere • Canadian Museum of Nature
- Ripley's Aquarium of Canada • Royal BC Museum
